How does the Gas Promo work?

In short, you must purchase \$100 of gasoline of the same brand in a calendar month. Once, you've reached \$100, you submit your receipts and you will receive a \$25 Gift Card. Do this for 20 months...20 X \$25=\$500.00.

Step 1:

Recipient of the gas certificate mails it into the fulfillment center or registers online along with a \$5.00 refundable registration assistance fee. (The \$5 registration assistance fee will be fully refunded in the final month of redemption, with a \$30 gas card instead of a \$25 gas card.)

Step 2:

Once registered a gasoline brand selection form along with a brief survey of gasoline buying habits is sent out via mail. Within 6 weeks of receiving this information, monthly redemption vouchers will be mailed. (Or you may go online and print them immediately after payment.)

Step 3:

To redeem vouchers, a minimum monthly purchase of \$100.00 in gasoline at the preselected gas station brand must be made. Each month, both the original gas receipts and a redemption voucher must be mailed to the fulfillment center. Upon receiving the original gas receipts and monthly redemption voucher, a \$25 gas gift card will be mailed. This gift card can be used at any gas station location of the same preselected brand. Continue to mail redemption tickets and original receipts monthly until the value on the certificate has been reached.
